

The Guardians Association Of The New York State Courts, Inc.

Oct. 14, 2009

On behalf of the Guardians Association of the New York State Courts I would like to commend the officers of the Bronx Commands who participated in the 40th annual African-American day parade. Once again the Bronx was there to represent. It's a shame that an organization with the amount of members that we have, is only represented by a few members who unselfishly give up one Sunday a year. It shows that they have pride in their organization, and know the importance of bonding with our community, which always receives us with love.

And a special thanks to the officers that operated the vehicles:

SCO Clarence Kennely - Bronx Civil Supreme Court

SCO David Fliegelman - Bronx Civil Supreme Court

CO Darrel Cross - Bronx Housing Court

CO Angela Richardson - Harlem Community Court

Once again, KUDOS to the Bronx.

Thank you all:

Lt. David A. Collins
